

Institution: _____ Date: _____

Passing Grade: 70% but must have passed MPL of criteria 1,2,3

Must Pass Criteria:

| 1. Surgical Skills (25 points/MPL is 17) | | Score |
|--|-----------|---------------------------------|
| a) Surgical Charity Case Load Calculation: (Actual number of charity cases done by graduating residents of the previous year x 7) / (Number of graduating residents of the previous year x minimum charity case requirement per resident) | 7 | |
| b) Variety of Cases Calculation: (Average score from Form AC-03 of graduating residents of the previous year x 7) / 100 | 7 | Graduate should pass form AC-03 |
| c) Log book | 4 | |
| d) Score of Diplomate Exam Part 3 (practicals) Calculation: (Average score of diplomate practical exam takers of the previous year x 7) / 100 | 7 | |
| TOTAL | 25 | |

| 2. Theoretical Knowledge: (25 PTS/MPL is 17) | | Score |
|---|---|--------------|
| a) ITE scores Calculation: (Transmuted average score of all residents who took the ITE the previous year x 6) / 100 | 6 | |
| b) Qualifying Exam Scores Calculation: (Transmuted average score of all residents who took the qualifying exams the previous year x 7) / 100 | 7 | |

| | | |
|---|-----------|--|
| c) Score of Diplomate Examinations Calculation: (Transmuted average score of all residents who took the Diplomate Exams the previous year x 8) / 100 | 8 | |
| NB: The score of each resident is calculated as follows: (Exam score / Number of items) x 100 | | |
| e) Resident's Interview with PBO | 4 | |
| TOTAL | 25 | |

NB: For criteria 1 and 2 above: If there is a missing item, cross-multiplication will be applied. For example, for criteria 2 (theoretical knowledge), if no one took the diplomate exams, calculation will be: total institution score for criteria 2 / (25-8) : converted score / 25. Converted score will be the recorded score.

| 3. Department Research Activity (20 PTS/MPL is 14) * | | Score |
|--|-----------|--------------|
| Research protocol | 5 | |
| Papers presented as poster (national or international) | 8 | |
| Papers presented in podium (national or international) | 12 | |
| Papers published in an institutional journal | 15 | |
| Papers that won a research contest | 20 | |
| Papers published in a national (not institutional) journal | 25 | |
| Papers published in an international journal | 30 | |
| Calculation: Score for each research paper or activity / total number of research papers for the previous year | | |
| | | |
| TOTAL | 20 | |

- includes only output for the year being evaluated

| 4. Teaching and Learning Activities (10 PTS) | | Score |
|---|---|--------------|
| Pre op and post op conference attendance | 2 | |
| Mortality and Morbidity conference attendance | 2 | |
| Subspecialty conference | 1 | |
| Residents ' protected Hour | 1 | |
| Resident /Consultant Echo lectures | 1 | |

| | | |
|-------------------------------------|-----------|--|
| POA Annual Convention attendance | 1 | |
| Local workshops attendance | 1 | |
| International Convention attendance | 1 | |
| TOTAL | 10 | |

| 5. Physical Plant (10 PTS) | | Score |
|---|-----------|--------------|
| Dedicated orthopaedic beds | 2 | |
| Functional Xrays (portable and fix) | 2 | |
| Working C-Arm | 1 | |
| Working Fracture Table | 1 | |
| Working Operative Microscope | 1 | |
| Spica table | 1 | |
| Complete Ortho required textbook and on line access | 2 | |
| TOTAL | 10 | |

| 6. Annual Report (5 PTS) | | Score |
|---|----------|--------------|
| Submitted on time | 1 | |
| Complied with prescribed format | 1 | |
| Properly documented Mortalities / Morbidities | 1 | |
| Presented well (oral and powerpoint) | 2 | |
| TOTAL | 5 | |

| 7. Staffing and Staff Development | | Score |
|---|----------|--------------|
| Complete line of consultants (Trauma/Adult/Hand/Spine/Pedia) | 2 | |
| With superspecialist Consultants (sports/foot & ankle/infectious/ arthroplasty/ Ilizarov & reconstruction) | 1 | |
| Residents and Consultants with award citations | 1 | |
| Consultants attending short term fellowships | 1 | |
| TOTAL | 5 | |
